Assurance Practitioner's Responsibility

Our responsibility is to express a conclusion on the performance report. We conducted our review in accordance with International Standards on Review Engagements (New Zealand) (ISRE (NZ) 2400, *Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity*). ISRE (NZ) 2400 requires us to conclude whether anything has come to our attention that causes us to believe that the performance report, taken as a whole, is not prepared in all material respects in accordance with the Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit).

A review of the performance report in accordance with ISRE (NZ) 2400 is a limited assurance engagement. The assurance practitioner performs procedures, primarily consisting of making enquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand). Accordingly, we do not express an audit opinion on these financial statements.

Other than in our capacity as assurance practitioner we have no relationship with, or interests in, The Ornithological Society of NZ Inc.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the performance report does not present fairly, in all material respects, the financial position of The Ornithological Society of NZ Inc as at 31 December 2017, and its financial performance and cash flows for the year then ended, in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit).
