

NOTORNIS

QUARTERLY BULLETIN

of the

Ornithological Society of New Zealand

(Incorporated)

VOLUME EIGHT: 1958-60

INDEX TO VOLUME EIGHT

- Acanthisitta c. chloris* (South Island Rifleman), 74, 212, 188, 240,
Plate XXXVI.
- " *chloris granti* (North Island Rifleman) — 23, 74, 212.
- Acridotheres tristis* (Myna) — 81, 178, 215, 256, 265.
- Aerial view of Penguin Rookery, Coulman Island — Plate XX.
- Alauda arvensis* (Skylark) — 74, 105, 240, 256.
- Albatross, Black-browed. v. *Diomedea melanophris*.
- " Buller's. v. *Diomedea bulleri*.
- " Gray-headed. v. *Diomedea chrysostoma*.
- " Light-mantled Sooty. v. *Phoebastria palpebrata*.
- " Royal. v. *Diomedea epomophora*.
- " Shy or White-capped. v. *Diomedea c. cauta*.
- " Wandering. v. *Diomedea exulans*.
- " Yellow-nosed. v. *Diomedea chlororhynchus*.
- Albino Black-backed Gull in Bay of Plenty — 121.
- Alectoris graeca* (Chukor) — 69.
- Anarhynchus frontalis* (Wrybill) — 25, 71, 82, 85, 86, 167, 204, 218, 222,
224, 224, 261. Plates XXIV, XXV, XXXVII, XXXVIII, XXXIX
- Anas chlorotis* (Brown Teal) — 69, 116, 202.
- " *gibberifrons* (Grey Teal) — 68, 222, 237.
- " *rhynchotis* (N.Z. Shoveler) — 69, 81, 118, 202, 216, 222.
- " *superciliosa* (Grey Duck) — 42, 101, 216, 238.
- Andrew, Ian G. — Notes on Some Arctic Waders in the Manawatu — 192.
White-winged Black Terns at Himiritangi Beach — 228.
- Annual Locality Reports — 81, 215.
- " Meetings — 17, 146.
- " Report — (1957) 158 17; (1958-59) 146.
- " " of the Library — (1957-58) 19; (1958-59) 148.
- " " of the Ringing Committee — Suppl. to No. 1, 229.
- Anthornis melanura* (Bellbird) — 48, 55, 80, 138, 188, 214.
- " *melanocephala* (Chatham Is. Bellbird) — 104.
- Anthus novaeseelandiae* (Pipit) — 80, 85, 104, 138, 188, 214, 241, 256.
- Antenodytes forsteri* (Emperor Penguin) — 127.
- Apteryx a. australis* (South Island Kiwi) — 65, 186, Plate XX.
- " *australis mantelli* (North Island Kiwi) — 65, 88, 89, 143, 196.
- " *australis lawryi* (Stewart Island Kiwi) — 63, Plate XI.
- " *haasti* (Great Spotted Kiwi) — 237.
- Ardea novaehollandiae* (White-faced Heron) — 68, 81, 84, 86, 201, 216,
219, 222, 224, 228.
- Arenaria interpres* (Turnstone) — 71, 82, 83, 85, 87, 103, 205, 218, 223, 224.
- Armstrong, E. A. — Letter, 27.
- Asiatic and American Black-tailed Godwits in Manukau — 161.
- Athene noctua* (Little Owl) — 74.
- Australian Birds in N.Z., 1957 — 29.
- Australian Coots Nesting in Otago — 93.
- Aythya novaeseelandiae* (N.Z. Scaup) — 47, 69, 202, 238.
- Balance Sheet — (1958) 59; (1959) 150.
- Banded Rails at Collingwood — 154.
- Banding of the Takahe, A Five Year Study — 1.
- Barlow, Maida L. — Australian Ibis Near Invercargill, 90.
- Bar-tailed Godwits Chasing Skua — 12.
- Baskett, J. — Banded Dotterels on Tarawera, 19.
- Bates, J. D. — Banded Dotterels on Tarawera, 19.
- Bathgate, D. A. — More Instances of Anting, 265.

- Beatus, S. N. — Plate IV.
 Bell, Brian D — Nankeen Night Herons at Blenheim, 52.
 Field Study Week-end, Marlborough, 1958, 91.
 Census of Brown Teal on Waipa River System, 116.
 Spine-tailed Swift Over Stephen Island, 121.
 Small Tern at Wairau River Bar, 165.
 White-winged Black Tern in Marlborough, 228.
 Colonial Roosting of White-faced Herons, 228.
 Birds of Stephenson Island, Whangaroa, 225.
 Rare Birds at Farewell Spit, 260.
 Bellbird, v. *Anthornis melanura*.
 Chatham Island v. *Anthornis melanura melanocephala*.
 Bird Counts with a Camera — 175.
 Bird Islands of N.Z., by Major R. A. Wilson, D.S.O., 185.
 Birds of Chatham Island and Pitt Island, 99.
 " " Stephenson Island, Whangaroa, 225.
 Birds of Sydney, by K. A. Hindwood and A. R. McGill, 267.
 Birds of the Cleddau River Area, 185.
 " " Cook Strait Islands, 39.
 " " Gouland Downs, N.W. Nelson, 236.
 " " Poor Knights Islands, 132.
 Bittern v. *Botaurus stellaris*.
 Bittern's Nest, A — 50.
 Black, M. S. — Wrybill at L. Rotorua, 25.
 Shovellers Diving for Food, 118.
 Black-backed Gulls, a Gannet Predator — 22.
 Blackbird, v. *Turdus merula*.
 Blackburn, A. — Field Study Week-end, 225.
 Black Stilts Nesting in Swampy Ground — 163.
 Booby, Brown, v. *Sula leucogaster*.
Botaurus stellaris (Bittern) — 50, 51, 68, 216, 219, 237, Plate VII & VIII.
 Boud, R. — Feeding Habits of the Black-billed Gull
 Bowdleria punctata (Fernbird) — 79, 122, 213, 225, 241, Plate XIV & XV.
 rufescens (Chatham Island Fernbird) — 104.
 Branta canadensis (Canadian Goose) — 202.
 Breen, M. — Note on Robin Behaviour, 122.
 Broad-billed Sandpiper in the Firth of Thames — A New Bird for N.Z., 233.
 Bull, P. C. — Stomach Contents of a North Island Kiwi (*Apteryx australis*
 mantelli) from the Raetihi District, 143.
 — Obituary — James Sharon Watson, 195.
 Bunting, Cirl v. *Emberiza cirius*.

 Calidris acuminata (Sharp-tailed Sandpiper) — 71, 205, 218, 223.
 canutus (Knot) — 71, 82, 83, 85, 87, 103, 205, 218, 219, 223,
 224, Plate XXX.
 ferruginea (Curlew Sandpiper) — 82, 85, 218, 223, Plate XXXIX.
 melanotos (American Pectoral Sandpiper) — 223.
 ruficollis (Red-necked Stint) — 71, 82, 87, 205, 218, 223, 224.
 Callaeas c. cinerea (South Island Kokako) — 177.
 cinerea wilsoni (North Island Kokako) — 81, 177, 215.
 Cape Pigeon Taking Food from Hand — 154.
 Card Committee — 57, 230, 231.
 Carduelis carduelis (Goldfinch) — 105, 215, 256.
 flammea (Lesser Redpoll) — 106, 188, 215, 242.
 Caughley, Graeme — How High Do Birds Live in the Southern Alps, 24.
 Observations on Incubation and Chick Rearing in
 the Antarctic Skua, 194.
 Census of Brown Teal in the Waipu River System — 116.

- Chaetura caudacuta* (Spine-tailed Swift) — 25, 121.
Chaffinch, v. *Fringilla coelebs*.
Chalcites lucidus (Shining Cuckoo) — 47, 74, 212, 240.
 Chambers, B.S. — Card Committee Report, 230.
 D. N. — Card Committee (Auditor), 57.
Charadrius bicinctus (Banded Dotterel) — 19, 70, 81, 85, 86, 102, 204, 112, 216, 222, 224.
 dominicus (Pacific Golden Plover) — 70, 81, 86, 203, 216, 222, 224.
 leschenaulti (Large Sand Dotterell) — Plates XXXVII, XXXVIII.
 obscurus (N.Z. Dotterel) — 24, 71, 82, 86, 204, 218, 224.
 Child, D. — A Nest of the Black Stilt, 53.
 The Hunter Valley, North-West Otago, 189.
Chlidonias albostratus (Black-fronted Tern) — 72, 206.
 leucopterus (White-winged Black Tern) — 72, 83, 85, 219, 220, 223, 228.
Chloris chloris (Greenfinch) — 180, 214.
Chukor, v. *Alectoris graeca*.
Circus approximans (Harrier) — 42, 69, 87, 102, 137, 202, 238, 256, Plate XVII.
Cockatoo, Sulphur-crested (White), v. *Kakatoe galerita*.
 Colonial Roosting of White-faced Herons — 228.
 Cooper, W. R. — White Ibis at Te Awamutu, 56.
Coot, Australian, v. *Fulcia atra*.
 Corrections — 232, 267.
Corvus frugilegus (Rook) — 215.
Crake, Marsh, v. *Porzana pusilla*.
 Spotless, v. *Porzana tabuensis*.
Creeper, Brown, v. *Finschia novaezeelandiae*.
 Creswell, R. A. — Notes on the Heights Reached by Some Birds in the Eastern Ranges of the North Island, 54.
 The Distribution of the Kiwi in the East Coast Region, 89.
Cuckoo, Long-tailed, v. *Eudynamis taitensis*.
 Shining, v. *Chalcites lucidus*.
 Cunningham, B. T. — Feeding Habits of the Black-billed Gull, 119.
Curlew, Long-billed, v. *Numenius madagascariensis*.
Cyanoramphus auriceps (Yellow-crowned Parakeet) — 47, 74, 211.
 novaezeelandiae (N.Z. Parakeet) — 103, 138, 211.
Cygnus atratus (Black Swan) — 68, 84, 104, 202, 222.
 olor (Mute Swan) — 202.
Dabchick, N.Z., v. *Podiceps rufopectus*.
Dacelo gigas (Kookaburra) — 212.
Danthonia rigida (Red Tussock) — Plate II.
Daption capensis (Cape Pigeon) — 65, 100, 154, 197, 229, 230, Plate XII.
 Dawson, E. W. — Food of Young Black-billed Gulls (*Larus bulleri*) in a Breeding Colony, North Canterbury, 32.
 Birds of the Cook Strait Islands Collected by Prof. Hugo Schauinsland in 1896 & 1897, 39.
 Kakapo, Kaka and Kea in the Chatham Islands, 106.
 Obituary — Professor E. Percival, 180.
 Book Review, 183.
 Delph, L. W. — Cape Pigeon Taking Food from Hand, 154.
 Die-off of Shaqs in Northern Otago, 26.
Dinornis (Moa) — 175.

- Diomedea bulleri* (Buller's Albatross) — 65, 100, 197.
 „ *cauta* (Shy or White-capped) — 65, 197.
 „ *chlororhynchus* (Yellow-nosed Albatross) — 65.
 „ *chrysostama* (Gray-headed Albatross) — 65, 197.
 „ *epomophora* (Royal Albatross) — 65, 197, 229.
 „ *exulans* (Wandering Albatross) — 65, 100, 197.
 „ *melanophris* (Black-browed Albatross) — 65, 100, 197.
 Distribution of the Kiwi in the East Coast Region — 89.
 Dotterel, Banded. v. *Charadrius bicinctus*.
 „ Large Sand. v. *Charadrius leschenaulti*.
 „ N.Z. v. *Charadrius obscurus*.
 Dotterel on Mountain Top — 24.
 Dove, Malay Spotted. v. *Streptopelia chinensis*.
 Duck, Blue. v. *Hymenolaimus malacorrhynchus*.
 „ Grey. v. *Anas superciliosa*.
 „ Paradise. v. *Tadorna variegata*.
 Duff, Roger — Letter, 228.
 Dunnock. v. *Prunella modularis*.
 Early Breeding of the Morepork in 1958 — 120.
 Egret, Little. v. *Egretta garzetta*.
Egretta alba (White Heron) — 67, 86, 101, 201.
 „ *garzetta* (Egret, Little) — 29, 67, 86, 179, 201.
 „ *sacra* (Blue Reef Heron) — 42, 68, 83, 84, 85, 137, 201, 219,
 222, Plate III.
Emberiza cirrus (Cirl Bunting) — 215.
 „ *citrinella* (Yellowhammer) — 81, 105, 215, 242, 256.
 Erythristic Stilts in Manukau — 176.
Eudynamis taitensis (Long-tailed Cuckoo) — 47, 54, 74, 212, 240.
Eudyptes pachyrhynchus (N.Z. Crested Penguin) — 197.
Eudyptula minor (Blue Penguin) — 100, 196, 255.
 Evans, Enid A (Hon Librarian) — Annual Report of the Library,
 1957-58, 19.
 „ Annual Report of the Library,
 1958-59, 149.
 Evidence for Parrots in the Chatham Islands — 106.
 Excursions — 21, 152.
Falco novaeseelandiae (Bush Hawk) — 42, 54, 69, 164, 186, 202, 238.
 Falla, Dr. R. A. — Some Records of Australian Birds in New Zealand, 1957,
 29.
