OFFICERS FOR 1950.—In accordance with the society's constitution, notice is hereby given that nominations for officers of the society for the ensuing financial year are to be in the hands of the secretary-treasurer not later than April 14. Such nominations must be in writing, signed by two members, and be accompanied by the written consent of the nominee. The retiring officers are as listed above, and where no nomination is received for any office, the retiring officer is deemed to be re-nominated.

NOTICE OF BUSINESS.—Notice of business to be discussed at the annual general meeting must also be sent to the secretary-treasurer not later than April 14.

ANNUAL GENERAL MEETING.—A notice calling the annual general meeting for 1950 will be sent to members at a later date: it is probable, however, that the meeting will be held in Wellington on May 19. This tentative information is given to enable members wishing to attend to make their travelling arrangements. A field day probably will be held at Buller's Lake, Levin, on the following day and members likely to be taking part are asked to communicate with the secretary-treasurer, J. M. Cunningham, 39 Renall Street, Masterton, so that travelling arrangements can be made.
