## CONTENTS OF VOLUME 25

1978

## Part 1: March 1978

|                                                                                                                        |    |
|------------------------------------------------------------------------------------------------------------------------|----|
| VEITCH, C. R. Waders of the Manukau Harbour and Firth of Thames .....                                                  | 1  |
| EDGAR, A. T. The Reef Heron ( <i>Egretta sacra</i> ) in New Zealand .....                                              | 25 |
| SAGAR, P. M. Breeding of Antarctic Terns at the Snares Islands, New Zealand .....                                      | 59 |
| CHILD, P. Fluctuations in Birdlife in a Subalpine Basin .....                                                          | 71 |
| STIDOLPH, R. H. D.; HEATHER, B. D. Notes on Post-Breeding Movements of the Dabchick in the Southern North Island ..... | 84 |
| Short Notes                                                                                                            |    |
| EDGAR, A. T. Australian Pelican ( <i>Pelecanus conspicillatus</i> ) in Kaipara Harbour .....                           | 89 |
| LAUDER, C. S. Aggressive Behaviour by Female Blackbird .....                                                           | 90 |
| GREGORY, M. R. Accidental Dispersal of the Welcome Swallow through "Hitch-hiking" on Ships .....                       | 91 |
| POWELL, W. J. An Analysis of Nankeen Kestrel Pellets .....                                                             | 94 |
| SIBSON, R. B. Banded Dotterels on the Village Green .....                                                              | 95 |
| Review                                                                                                                 |    |
| R.B.S. Birds of My Kalam Country, by Ian Saem Majnep & Ralph Bulmer, 1977 .....                                        | 97 |

## Part 2: June 1978

|                                                                                                                                                          |     |
|----------------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| FALLA, R. A. Banded Dotterel at the Auckland Islands:<br>Description of a new Sub-species .....                                                          | 101 |
| WATLING, D. Observations on the Naturalised Distribution of<br>the Red-vented Bulbul in the Pacific, with special reference<br>to the Fiji Islands ..... | 109 |
| CLUNIE, F.; KINSKY, F. C.; JENKINS, J. A. F. New Bird<br>Records from the Fiji Archipelago .....                                                         | 118 |
| BRUNTON, P. M. Toheroa Predation by Black-backed Gulls on<br>Dargaville Beach, North Island, N.Z. ....                                                   | 128 |
| VEITCH, C. R. Seabirds Found Dead in New Zealand in 1976                                                                                                 | 141 |
| Short Notes                                                                                                                                              |     |
| TARBURTON, M. Albino Oystercatcher on Otago Peninsula                                                                                                    | 108 |
| WATLING, D. A Myna Matter .....                                                                                                                          | 117 |
| SIBSON, R. B. The Unsexing of the Cape Pigeon .....                                                                                                      | 149 |
| BARLOW, M. Deformed Feet of Spur-winged Plovers and Pied<br>Stilt in Southland Sheep Country .....                                                       | 150 |
| COLLEN, J. D. Biological Observations from Black Island,<br>Antarctica .....                                                                             | 150 |
| BUCHLER, M. P. New Nesting Site for Little Black Shag                                                                                                    | 153 |
| BECKON, B. & R. Fiji Scarlet Robin Eating Worms on the<br>Ground .....                                                                                   | 154 |
| SIBSON, R. B. Shags in Mid-Tasman .....                                                                                                                  | 156 |
| STIDOLPH, R. H. D. Black-billed Gull in Northern Wairarapa                                                                                               | 158 |
| HOOKS, P.; REED S. Hoary-headed Grebe in Northland .....                                                                                                 | 158 |
| SMITH, M. H. Immature Black-faced Cuckoo Shrike near<br>Invercargill .....                                                                               | 159 |
| BARLOW, M. Spur-winged Plover Longevity Record .....                                                                                                     | 160 |
| FOX, N. C. Talon Grappling by N.Z. Falcons and Australasian<br>Harriers .....                                                                            | 160 |
| QUIN, P. J. Spur-winged Plover: Broadlands .....                                                                                                         | 162 |

## Part 3: September 1978

|                                                                                        |     |
|----------------------------------------------------------------------------------------|-----|
| LAVERS, R. B. Distribution of the North Island Kokako .....                            | 165 |

## THE ORNITHOLOGICAL SOCIETY OF NEW ZEALAND (INC.)

### OFFICERS 1978 - 79

President — Mr. B. D. BELL, Wildlife Service, Dept. of Internal Affairs,  
Private Bag, Wellington

Vice-President — Mr. M. L. FALCONER, 188 Miromiro Road,  
Normandale, Lower Hutt

Editor — Mr. B. D. HEATHER, 10 Jocelyn Crescent, Silverstream

Treasurer — Mr. H. W. M. HOGG, P.O. Box 3011, Dunedin

Secretary — Mr. H. A. BEST, Wildlife Service, Dept. of Internal Affairs,  
Wellington

### *Council Members:*

Dr. BEN D. BELL, 45 Gurney Road, Belmont, Lower Hutt

Mrs. B. BROWN, 39 Red Hill Road, Papakura

Dr. P. C. BULL, 131 Waterloo Road, Lower Hutt

Mr D. E. CROCKETT, 21 McMillan Avenue, Kamo, Whangarei

Mr. F. C. KINSKY, 338 The Parade, Island Bay, Wellington 5

Mrs. S. M. REED, 4 Mamaku Street, Auckland 5

Mr. R. R. SUTTON, Lorneville, No. 4 R.D., Invercargill

### *Conveners and Organisers:*

Rare Birds Committee (Acting): Mr. B. D. BELL

Beach Patrol: Mr. C. R. VEITCH, Wildlife Service, Dept. of Internal  
Affairs, P.O. Box 2220, Auckland

Card Committee: Mr. R. N. THOMAS, 25 Ravenswood Drive,  
Forest Hill, Auckland 10

Field Investigation Committee: Mr. B. D. BELL

Librarian: Miss A. J. GOODWIN, R.D. 1, Clevedon

Nest Records: Mr. D. E. CROCKETT

Recording (including material for Classified Summarised Notes):

Mr. R. B. SIBSON, 26 Entrican Avenue, Remuera, Auckland

Representative on Member Bodies' Committee of Royal Society of N.Z.:  
Mr. B. D. BELL

Assistant Editor: Mr A. BLACKBURN, 10 Score Road, Gisborne

Editor of *OSNZ News*: Mr P. SAGAR, 2/362 Hereford St., Christchurch

## INDEX OF AUTHORS, SUBJECTS AND SPECIES

## Vol. 25

Abstract of A.G.M. Talks, New Zealand Passerines, 244-246

*Acanthis flammea*, see Redpoll

*Acanthisitta chloris*, see Rifleman

*Acridotheres fuscus*, see Myna, Jungle

*tristis*, see Myna, Common or Indian

*Alauda arvensis*, see Skylark

Albatross, 156

Black-browed, 333

Light-mantled Sooty, 291, 333

Wandering, 119, 291, 333

*Anarhynchus frontalis*, see Wrybill

*Anas chlorotis*, see Teal, Brown

*gibberifrons*, see Teal, Grey

*platyrhynchos*, see Duck, Mallard

*rhynchotis*, see Shoveler, New Zealand

*superciliosa*, see Duck, Grey

Annual General Meeting, 235

*Anous minutus*, 316, see Noddy, White-capped

*stolidus*, 316, see Noddy, Common

*Anthonis melanura*, see Bellbird

*Anthus novaeseelandiae*, see Pipit, New Zealand

*Aplonis atrifuscus*, see Starling, Samoan

*Apteryx australis*, see Kiwi, Brown

*a. mantelli*, see Kiwi, North Island Brown

*haasti*, see Kiwi, Great Spotted

*Ardea novaehollandiae*, 29, see Heron, White-faced

*sacra*, see Heron, Reef

*Arenaria*, 10

*i. interpres*, see Turnstone

*Artamus leucorhynchus*, see Woodswallow

*Asio flammeus*, see Owl, Short-eared

Avocet, Australian, 23

*Aythya novaeseelandiae*, see Scaup, New Zealand

BARLOW, M. Deformed feet of Spur-winged Plovers and Pied Stilt  
in Southland sheep country, 150

Spur-winged Plover longevity record, 160

*Bartramia longicauda*, see Plover, Upland

Beach Patrol Interim Report, 243

BECKON, B. and BECKON, R. Fiji Scarlet Robin eating worms on  
the ground, 154-156

BECKON, R., see BECKON, B. and BECKON, R.

Bellbird, 197, 245-246, 262-268, 271, 277, 280, 349

Bird of Paradise, 97

BISSET, J. Song and breeding behaviour in the Pied Tit, 246

Bittern, 280, 283, 336

Blackbird, 80, 90-91, 145, 197, 250, 263-269, 272, 273, 277, 280, 288,  
347, 349

- Booby, 298, 311, 316  
     Blue-faced or Masked, 296, 303, 306, 312  
     Brown, 122, 296, 303, 306, 309, 311, 312, 314, 315  
     Red-footed, 122, 296, 303, 304, 305, 306, 310, 311, 313-315  
*Botaurus stellaris poiciloptilus*, see Bittern  
*Bowdleria punctata*, see Fernbird  
*Branta canadensis*, see Goose, Canada  
 BROWN, B. and LATHAM, P. C. M. Grey Phalarope in the Bay of Plenty, 198-202  
 BRUNTON, P. M. Toheroa predation by Black-backed Gulls on Dargaville Beach, North Auckland, New Zealand, 128-140  
*Bubulcus ibis coromandus*, 228, 231, 232, see Egret, Cattle  
     *i. ibis*, 228, 231, 232  
 BUCHLER, M. P. New nesting site for Little Black Shag, 153-154  
 Bulbul, Red-vented, 109-117  
     Red-whiskered, 113  
 Bunting, Cirl, 249-251, 349  
*Buteo buteo*, see Buzzard, Common  
 Buzzard, Common, 160
- Calidris acuminata*, see Sandpiper, Sharp-tailed  
     *alba*, see Sanderling  
     *alpina*, see Dunlin  
     *bairdi*, see Sandpiper, Baird's  
     *c. canutus*, see Knot  
     *ferruginea*, see Sandpiper, Curlew  
     *fuscicollis*, see Sandpiper, White-rumped  
     *mauri*, see Sandpiper, Western  
     *melanotos*, see Sandpiper, Pectoral  
     *minutilla*, see Sandpiper, Least  
     *ruficollis*, see Stint, Red-necked  
     *subminuta*, see Sandpiper, Semipalmated  
     *tenuirostris*, see Knot, Great
- Callaeas c. cinerea*, see Kokako, South Island  
     *c. wilsoni*, see Kokako, North Island  
 Callaeatidae, 172  
 Card Committee Report, 243  
*Carduelis carduelis*, see Goldfinch  
     *chloris*, see Greenfinch  
*Catharacta lonnbergi*, see Skua, Southern  
     *maccormicki*, 344  
*Chaetura caudacuta*, see Swift, Spine-tailed  
 Chaffinch, 78, 80, 81, 197, 240, 262-269, 272, 277, 280, 289  
*Chalcites*, 194  
     *l. lucidus*, see Cuckoo, Shining
- Charadrii, 1, 290  
*Charadrius alexandrinus ruficapillus*, see Dotterel, Red-capped  
     *alticola*, 107  
     *b. bicinctus*, see Dotterel, Banded  
     *b. exilis*, see Dotterel, Auckland Island Banded  
     *falklandicus*, 107  
     *hiaticula*, see Plover, Ringed  
     *leschenaulti*, see Dotterel, Large Sand

- melanops*, see Dotterel, Black-fronted
- mongolus*, see Dotterel, Mongolian
- obscurus*, see Dotterel, New Zealand
- pecuarius*, 107
- sanctae-helenae*, 107
- veredus*, see Dotterel, Oriental
- Charmosyna amabilis*, see Lorikeet, Red-throated
- CHILD, P. Fluctuations in birdlife in a subalpine basin, 71-83
  - Yellowhead not entirely insectivorous, 252-253
- Chlidonias albostratus*, see Tern, Black-fronted
- hybrida*, 144, see Tern, Black-fronted or Whiskered
- leucopterus*, see Tern, White-winged Black
- niger*, see Tern, Black
- Chrysococcyx*, see Cuckoos, Glossy spp.
  - lucidus*, see Cuckoo, Shining
- Chrysoenas*, see *Ptilinopus*
- Circus approximans*, see Harrier, Marsh
  - a. gouldi*, see Harrier, Australian
- Classified Summarised Notes, compiled by R. B. Sibson, 332-349
- CLUNIE, F.; KINSKY, F. C.; and JENKINS, J. A. F. New Bird Records from the Fiji Archipelago, 118-127
- CLUNIE, F. Fiji White-throated Pigeon nesting in an epiphyte fern, 217
- COLLEN, D. J. Biological observations from Black Island, Antarctica, 150-153
- Columba livia*, see Pigeon, Feral
